SELECTMEN'S REPORT

To the Citizens and Taxpayers of Gilford:

We present the annual report of the Selectmen and the Treasurer, the Town Clerk, Collector of Taxes, Trustees of Trust Funds, Trustees of the Public Library, also the reports of Town Officers and Committees and annual report of the School Board, for the fiscal year ending January 31, 1935.

In considering a budget for the ensuing year, we find entirely different conditions confronting us than in previous years. We refer to welfare relief and old age assistance.

Our recommendations for the ensuing year are the results of careful consideration, and have only recommended the things that seem necessary and advisable.

We recommend the following appropriations for the ensuing year:

State tax, assessed, estimated	\$3,000.00
County tax, assessed, estimated	5,000.00
Current maintenance expenses	2,500.00
Old Home Day	100.00
Highways and bridges	9,000.00
State aid construction, estimated	2,136.00
Aid to town poor	3,000.00

Respectfully submitted,

BERT F. SWAIN,

ARTHUR H. LORD,

CLARENCE V. HENDERSON,

Selectmen.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Gilford :

I herewith submit my sixteenth annual report as superintendent of your schools.

The Tilton-Northfield Supervisory Union has been enlarged by the addition of Canterbury. This was made necessary by a further reduction of the number of superintendents in the state and the consequent reorganization of many of the unions. This union is now made up of Tilton-Northfield, Belmont, Canterbury, Gilford, and Gilmanton. There are forty-five teachers and approximately one thousand one hundred fifty pupils.

STATISTICS

The following table compares the attendance record and certain expenditures for the school year ending June 30, 1934, with those of the year previous:

	1932-33	1933-34
Total enrollment in local schools	64	66
Boys	34	37
Girls	30	29
Average membership	55	55

ROLL OF HONOR

The following pupils were neither absent nor tardy during the school year ending June 30, 1934:

Lily Pond: Alice Davis, Charles Davis.

Village: James Hughes.

No. Nine: Anita Aldrich (2 yrs.), Arthur Drouin.

CLOSING EXERCISES

The closing exercises of the schools which were held on Friday evening, June 8, brought together a good audience of interested parents and friends. This is always an occasion which means much to the children and perhaps more to the parents. Both children and teachers are to be commended for the program presented.

Certificates of graduation were presented to the following eighth grade pupils:

Lily Pond: Ethel N. Blackey.

Intervale: Eleanor B. Lincoln.

Village: Edna M. Dow.

No. Nine: Anita M. Aldrich, Arthur H. Weeks.

All of the graduates entered high school in September.

TEACHERS AND ENROLLMENT

Miss Louise Collins resigned in June and Miss Lillian Millotte was transferred from No. Nine to the Intervale school. There have been no other changes in our teaching force within the year.

The school board decided not to reopen the No. Nine school in September as the anticipated enrollment did not seem to warrant maintaining this school. The five pupils were assigned to the Village school and transportation provided for them.

The following table shows the teacher assignment, salaries, and present enrollment in each school.:

Teacher	School	Salary	Enrollment
Anna R. Furey	Village	\$850	28
Eunice L. Hunt	Lily Pond	850	17
Lillian Milotte	Intervale	850	17

Our total enrollment is 62, an increase of 8 more than a year ago. There are enrolled in the Laconia schools a total of 83 Gilford children; 26 in grade I to VI, 15 in the junior high, and 42 in the senior high. In the last two years the enrollment of Gilford children in the Laconia elementary schools has dropped 50%. On the other hand the Gilford enrollment in the Laconia High school has increased 50%.

The following is the list of

The total recommended is \$209.10 less than the recommendation of a year ago.

LILY POND

At the last school meeting certain proposed alterations and changes at Lily Pond were discussed. After a careful study of the situation and ascertaining the probable cost of doing a thorough job the school board came to the conclusion that it would be unwise at that time to make the desired changes. Only temporary repairs were made.

PROPOSED CONSOLIDATION

It has been suggested at various times that a central school providing for all the school children in town, both high and elementary, might better serve Gilford than the present arrangements. This proposition has not appealed to me as being altogether a wise one in view of the fact that so many of the Gilford children now attending Laconia schools are within walking distance, and also because there are available for Gilford children such excellent high school facilities in Laconia.

The more recent suggestion that the three local schools which are now being maintained be consolidated in a central school of two rooms at the village has much to commend it and might well be given serious consideration.

In conclusion I wish to express once more my keen appreciation of the help which I have received from the school board, the teachers and many others.

Respectfully submitted,

CHANNING T. SANBORN,

Superintendent of Schools.

February 19, 1935.

VITAL STATISTICS

Agreeably to Section 4, Chapter 43, of the Public Statutes, I hereby submit a transcript of the record of Births, Marriages, and Deaths for the year ending December 31, 1934.

It is our desire to have these records as correct as possible, and if any error or omission is noted, we will appreciate being informed of the same in order that it may be corrected on the town records.

GLADYS B. ANDREWS, *Town Clerk.*
